#### Teen Amazons

Dear Virgin Territory,

I like the tall girls in the Dec. '16 issue. It would be awesome if you could do a teen Amazon photoset with Elena and Blaire and a short girl. Have Elena and Blaire dressed in jungle/warrior outfits and stand next to the smaller girl for reference. The shorter girl can get down on her knees and take turns licking the tall girls' pussies as they make-out. Show lots of up-skirt shots and photos that are shot facing up to emphasize their height. Out of the two, it looks like Elena would be running the show. She can be the dominant one with Blaire as her co-pilot and the short girl as their slave. If you are going to put tall girls in the magazine, might as well go all out!-Z.D., Virginia Beach, Virginia

Dear Z.D.,

This is an interesting concept; we'll keep it in mind. As for our Amazonian teens, you can see more of Elena on page 44 of this issue.

#### What Blaire Wants, **Blaire Gets**

Dear Virgin Territory,

Blaire is a cutie. I don't mind that she's tall. I'm 5'10" but I would be proud to walk with her by my side. And after all,

height isn't much of an issue when you're lying down! This just-turned-18 babe can get all my cum. I can just picture her making that doe-eyed face at me as I pull down her panties and place my

mouth over her pussy. It's Elena important (left) and for a just-Blaire (right) are legal girl both six-foot teens. to get her Although they are pussy tall, their pussies are eaten tight and their faces properly. are young and Boys fresh! her

age

don't know what they're doing, and that's where older, more experienced gentlemen like myself step in to show her what a real orgasm is like. I bet you her pussy and asshole taste even sweeter than the cake she has.

Email address:

If given the chance I would also treat her to a sweet dicking. I would pound her into next Tuesday or give her a slow, gentle fucking if she's not yet ready to be drilled-whatever she wants. At some point I would flip her over on all fours and slide my cock into her doggie-style, going in

balls deep as I stick a spit-lubed finger into her teen starfish. Then I would pull out, get her

on her knees and jack off onto that pretty face with those big brown eyes looking up at me so sweetly. Or, if she were so inclined, I certainly wouldn't mind blowing my load into her

pussy. I would do anything Blaire wanted, and I would do anything to make her pussy cum.-E.F., Baltimore, Maryland

Dear E.F.,

Don't worry; Blaire can handle a pounding. And based off her hardcore scene from the Feb. '17 issue, she loves to get salty loads on her

#### Keep 'Em

I will excuse your faux pas of featuring very tall girls in the Dec. '16 issue, as Elena

and Blaire are both attractive. However, I want to see petite teens who are cute, light, little and easy to pick up. You can't do as much with these big girls. Not to mention, the taller a girl is the older she looks. We want little pixies, not Amazonians! And most guys prefer a girl who is shorter than he is. So please stick to the petite girls.—J., via email

Dear J.,

Thanks for your input. We don't often get tall teens. It just so happened that a

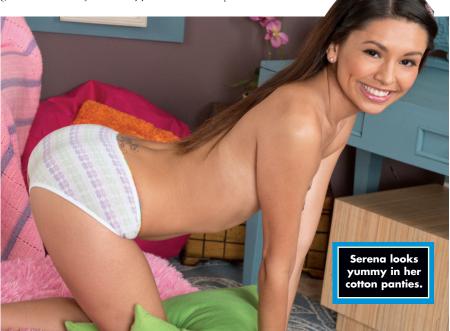

few of them came our way around the same time. We're interested to see what other readers have to say about it, but chances are we won't be featuring many more tall girls as they come to us so rarely.

#### Recruited by Redly

Dear Virgin Territory,

After years of buying your magazine on the newsstand I finally decided to subscribe. The reason? Beautiful Redly. I love ginger girls, and she is my new favorite. I want to make sure I don't miss any of her appearances and I figured it was high time I subscribed. You've been a consistently high quality magazine and deserve my commitment.

As for Redly, she was definitely the best choice for the covergirl. There were many cute girls in the issue, but she was no doubt the starat least in my eyes. Her sweet smile would be all the sweeter if there were cum on it. I hope I get to see that soon. Sonnets could be written about her pert breasts and slender figure. I also appreciated the different poses of her, like the one where she is in a split and the one on pages 80-81 where she is on all fours and lifting one leg up. You also included a glorious shot of her puckered starfish on page 82. What a sweet girl. Can't wait to

see her with a

Dear K.,

There's a solo set of Redly in this issue starting on page 31. You'll see her XXX layout soon. Thanks for subscribing!

#### **Panty Party**

Dear Virgin Territory,

Thanks for sending me Rachel's panties (Dec. '15). They are lovely and smelled sweet but hardly seemed worn. It would have been nice if they had a little stain at the crotch. They are still nice to have. It is too bad you only publish every other month now.

Let's play who wore it best:

- 1. Kaci from Nov. '15–There are two nice shots of her panties, front and back.
- 2. Lily from June '16–Front, back and around her ankles. I like the shot of her over the exercise ball where you can just see her panties through her pants.
- 3. Kharlie from April '16–Again, nice shot of her skirt, as well as her pulling her panties down to show her ass. The shot of her pulling her panties aside and showing her pussy is the best.
- 4. Serena from April '14–She clearly wore those panties best, lifting her dress, in her bra, opening her bra, pulling her panties aside, pulling them down to show her bum and having them around her ankles. She is the winner.

I know you answered my previous letter and said the panties are not reused by the girls, but I can see from the panty pattern that they are the same pair. I love that! I would drive to Florida just to get those panties. Or it would be great if you sent them to me. I hope you never consider stopping publication!–F.H., Kitchener, Ontario

Dear F.H.,

We have several pairs of the same panties in our studio, as we often buy them in packs. So this is why you sometimes see what looks like the same pair. And as long as our awesome subscribers keep reading 18eighteen we won't have to consider closing up shop. Thank you for your continued support.

#### Lena the Puffiest

Dear Virgin Territory,

When I saw the photos of Lena in your Dec. '16 issue of 18eighteen, I remembered seeing her in your magazine a few years ago. She was in the Feb. '06 issue of 18eighteen on page 27. It is a short one page, but I thought your readers might enjoy seeing them. Could you re-print them in a future issue?—S., via email

Dear S.,

We'll keep this in mind for a future issue as Lena is one of our most memorable models.

#### Oct. '16 Notes

Dear Virgin Territory,

All the girls in the Oct. '16 issue are good this time, except Raven (who has big boobs)! I don't know which girl I like best though. I'd love to experiment with Kylie! Bambi could flash me anytime. Since no girl has done that to me, she would be the first! Otherwise the rest can cum and pee for me or fuck me. I wouldn't mind a bit! Has Karly been in the magazine before? She looks a bit familiar.

I'm surprised you printed my letter bashing the peeing DVD. I suppose I will have to order *Flat & Fucked 10* now in order to see Chloe.

### 18EIGHTEEN.COM ... COMMENTS...

#### LILY JORDAN -Tiny But Not Fragile

I love 18eighteen...but I much prefer the solo sets to the boy/girl stuff. Not sure if I'm in the minority but I just like to feel that

the girl is posing for me and me alone and no one else. Also I think the imagination is

stirred more in the solo sets-it's more of a turn on to imagine what the girl would look like being fucked than actually see her being fucked...if that makes sense. There's also a slightly degrading and humiliating feel to the solo sets which is a real turn on!-Duncan

#### BRITTNEY BANXXX - Freshly Fucked

Gorgeous little girl is a great fuck! LOVE the cowgirl & doggie fucking! Also enjoyed strokin' it to him finishing her off w/ some fabulous missionary pussy pounding until he can't take anymore & pulls out jacking off all over her pretty

Well, now that I have looked through the magazine again in order to write this...I am going to have to go play with myself for awhile. I will probably never get to watch a girl squirt pee or cum either!-J.H., Aberdeen, South Dakota Dear J.H.

Karly had not been in the magazine prior to Oct. '16; that was her debut appearance. As for your letter about Lil' Pissers, we try to publish all (or almost all) commentary, both good and bad.

#### **Nutting for Nerds**

Dear Virgin Territory,

I have a fetish for seeing girls get cum on their glasses, so I was very excited to see Kymberlee in your Dec. '16 issue with the

We can see why this was F.'s favorite shot of Naomi.

On My Glasses!" Unfortunately, this was not a hardcore pictorial. Hopefully you have one of Kymberlee coming up. I appreciated that her glasses were real and not the props that are sometimes used for the "nerdy teen" theme. She has a luscious body and I enjoyed jacking to her meaty pussy and pert ass. If you did not shoot Kymberlee with cum on her glasses, hopefully you can do that in the future.-G.M., El Paso, Texas

Dear G.M.,

Kymberlee has a hardcore pictorial that ran in the May '16 issue of Naughty Neighbors, however she didn't get cum on her glasses.

#### A Picture Is Worth A Thousand Loads

Dear Virgin Territory,

Great job shooting Naomi in a variety of sex positions. She knows how to fuck and also how to make love to the camera. Her expressions are priceless. Her pouty, wanton face begs for more cock without her needing to speak a word. We get to see her in the piledriver, reverse cowgirl, in the air, doggie-style and my favorite, folded up with her knees by her ears and stuffed with cock. There is no girl more beautiful or sexy than Naomi.–F., via email

#### Halloweenie Teenies

Dear Virgin Territory,

Chloe looked cute in her little witch outfit. I remember a few years back you did a Halloween issue. You

should do another one. I enjoy seeing the girls in their slutty costumes. Some costumes I'd like to see are a French maid, slave Princess Leia, angels and Supergirl. Make sure they are all wearing short skirts with no panties and no bra and give plenty of flashing shots, just like Chloe did on pages 70 and 71. Was that a broomstick I saw on her pussy on page 73? It would have been nice if Chloe stuck that broomstick up her pussy.

I think Halloween would also make a good themed issue. Hope you can make it happen.–K.B., Chicago, Illinois

Dear K.B.,

It would take some planning, but a Halloween issue is a possibility. Some other costumed teens you can check out are 70s roller girl Sasha in the Dec. '11 issue and puffy-nipped fairy Alice from the Holiday '13 issue.

Inexperienced. Flat as a tabletop. A butt you wouldn't write anyone's home about. Danni was in trouble. Running out of ideas, and worse, time. Valentine's Day was 24 hours away, and she wanted it to be special. With a little help from her mom's boyfriend, though, she learned that you didn't need a centerfold body

to navigate sex's...

By Joe Monks Illusttration by Otis Sweat

Danni stood in front of her dresser, stark naked except for the tightest pair of panties she owned and a push-up bra that was woefully lacking in anything to push. She tried shifting her hips, sticking out her butt. Considered stealing one of her brother's tank top undershirts and cutting it so it hung just over her nipples, then thought better of it. What difference would it make? It wasn't like she had anything to cover up to make her look more sexy. She tightened the bra straps as tight as they would go. Now, the center stuck out, highlighting her nonexistent cleavage. No matter what she tried, she looked ridiculous.

She stripped down naked, sticking her useless bloomers and bra back in her underwear drawer. Couldn't help examining herself in the mirror some more. She let out a deep sigh.

"Even naked I look bad!" she complained to her reflection, brow furrowed as she tried to think of what to do. She ran her fingers through her pussy fur, wondering if maybe she could do something creative down there. Even that, though, seemed like a long shot. She didn't have very thick hair downstairs, and Chris had never seen it. Well, never wasn't exactly saying much. They'd only been going out a month, after all. But when he'd mentioned that this week was Valentine's Day, and he wanted to bring her back to his house after school so they could, you know, maybe do something special to celebrate? Danni had started shaking. Right there in the hallway. The kiss he'd planted on the back of her neck before closing his locker and heading off to class? Had burned like a hot coal for the rest of the day. The bus ride home had brought tears to her eyes. Not because she couldn't do anything about what Chris had said, but because she didn't dare stick her hand down her pants before getting dropped off. Had she been on the bus alone, though, things would have been different. Very different. And very sloppy. She'd have sat in the back row with her pants around

her ankles, riding the seat corner for the vibrations while she masturbated. That's how horny she was. The undies she'd tossed into the washer before her mom got home couldn't have soaked up any more girl juice if they'd been made of paper towels.

Bald, maybe?

She tried to picture it. Shaving her pussy smooth wouldn't be tough. Wouldn't take much time, either. And, no one would know. No one but Chris, if he really meant what he said about Valentine's Day. She pulled back the hair, matting it flat. Felt the disappointment take hold. Sure, she could shave, but...how underdeveloped would she look then? No hips, no tits and a bald muff? What if Chris got weirded out?

So, shaving was a no-go. Given the hideous selection of options in her drawer, something sexy was out, too. She glanced at her watch, feeling her heart drop. It was already four o'clock. No time to get to the mall, and no one to take her. Cross shopping off the list, too, she thought. Damnit! Why hadn't Chris dropped the hint before the weekend, when she'd have had time to...to...to come up with something!

Too late, she realized, the horror of it sinking in. It was too late for her to do anything.

Or was it?

She pulled her bloomers back up and threw on a shirt. Stole down the hall, into her mom's bedroom. On the hunt.

Her eyes bulged when she pulled open her mom's lingerie drawer. It was packed to overflowing, a veritable one-stop-slut-shop. Not that her mom was a slut, but still, any girl who made a buck swing-

She looked down at herself. The cavernous bra wasn't even hiding her nips. ing around a pole would have been happy with anything they snatched out of her mom's dresser. Frilly stuff. Lacy stuff. Crotchless panties. A bra with cups cut so low you'd have seen everything anyway. Sheer stockings, the kinds with the seam up the back. A black, lace-up corset. Mesh undies. Hell, there was even a pair you could eat!

Danni tossed her lame clothes on the bed and started trying things on. Her mom's mirror wasn't magic, though, and didn't lie any better than her own. She took a deep breath, wearing one of her mom's front-clip bras and the see-through panties. The two items that looked like they might fit her.

And still, she looked ridiculous. The bra, well, she should've guessed that. Her mom had a lot more up top than Danni did, that was for damn sure. All her stuff was Cs and Ds. Danni had boobs more like something off her report card. A-minus. The panties... They were a little better, but not much. And, she wondered, why would they be? Her mom had curves. Oh, sure, she kept promising Danni that hers would show up one day, too, but Danni had been waiting eighteen years, twentyfive days and... She glanced at the alarm clock. Roughly ten hours, and still, nothing. The likelihood of an overnight growth spurt resulting in a three-cup increase in bra size and an ass to die for was something she wasn't about to waste time hoping for. Which left her...nowhere.

"What the heck are you doing in that getup?"

Danni jumped. Pete, her mom's boyfriend, stood in the doorway, the expression on his face impossible to misunderstand. He thought she looked like an idiot.

"I, was, I mean—" she stammered, not knowing what to do. The bed was piled high with her mom's sex clothes, she was standing there in panties that had no doubt been bought for his enjoyment, and a bra that she'd need two rolls of toilet paper to stuff. She wanted to cry.

"Hey, Dee...what's wrong?"
Danni hung her head. Pete was a good guy. She couldn't blame her mom for investing a year's worth of college tuition in fuck-me

pumps and lingerie. They'd been together for a while, and he made her mom happy. Danni hadn't liked him at first, but he'd been around so much that he practically lived with them. And...it wasn't a bad thing.

Now, though? Danni was mortified. Whereas the first couple of things she'd tried on had maybe had some possibilities, enough to start getting her excited—right now she wished she could just disappear.

"Dee? You okay? What's wrong?" He was leaning on the doorframe now, ignoring the lingerie pile and how dumb she looked. Finally, she told him.

"Tomorrow. Chris and I are going to hang out at his house after school. His parents are both working late."

"So what? You think you need this

stuff to make it special?"

Pete's skepticism cut right through her. She looked down at herself. The cavernous bra wasn't even hiding her nips. The mesh panties, at least a full size too big, were hanging low on one hip. Probably trying to slide down and crawl away, she thought. If so, she didn't blame them.

"Are you kidding?" she blurted, holding her arms out, the bra hanging loose. "I need something!"

Pete shook his head. Danni couldn't understand. Did...did he think that she didn't have a shot with Chris at all? Oh, god...maybe... maybe he was right.

"D-Train," he said, getting serious. Using his nickname for her. "That stuff there? Believe me. That's more than enough."

Danni looked. He was pointing at her discarded clothes. Was he serious? Plain cotton bloomers and a two-year-old concert tee she'd bought tight then and still couldn't stretch out? Had he lost his mind?

"Are you making fun of me?"
Pete frowned. It sure didn't look
like he was having fun at her
expense. He came into the room,
close enough that she could smell his
aftershave. She liked it. So much so
that she was going to buy Chris
some when his birthday came
around. Pete grabbed her discarded
drawers, holding them up. Danni
gulped, shocked to see the wet spot
in the crotch. She hoped he hadn't
noticed. He waved them in her face.
She could smell her musky scent on
the soggy panties.

# Redly isn't worried about anyone seeing her from the window.

When we shot this set, it was Redly's idea to pose in front of the window despite many passersby. "Let's put on a show!" she said. Most of the people who walked by didn't notice, but there were a few who were treated to a sneak peek of Redly's perky tits and bare pussy. "I hope they go home and jack off to me. I saw one of the guys had a hard-on!"

### **Have you** ever been watched during sex?

"No, but I would like that. There was one time I was having sex with my exboyfriend, and the closet door was cracked open. I kept looking at it and imagining that someone was hiding inside and watching us fuck while he jerked off. The idea turned me on so much that I started to get wild and loud, and then I had three strong orgasms. One day I would like to put on a real sex show for someone in person."

And as a result, she takes a huge piss on this glass table! Unfortunately, we can't show you the photos of her actually peeing in the magazine due to censorship issues, but you can see them by logging on to <a href="Meighteen.com">18eighteen.com</a>. Or watch the scene in *L'il Pissers*, which is available for order on page nine.

### Elena always gets what Elena wants!

Bratty teen Elena gets a kick out of taunting her uptight tutor. He's trying to teach her about macro and micro economics, but all she hears is, "blah blah blah." She pulls her phone out and sneaks a picture of her pop-kissing him, but Elena wants to kiss something else...his cock. Only it's more like a French kiss with lots of tongue and swallowing. She works her magic, and soon she's slurping up his shaft, spit dribbling down her chin. After peeling off her schoolgirl uniform she lies on the couch with her legs open, ready to finally take the tutor's cock.

Leave it up to little trouble-maker Cali to find a way to be scandalous in dentetion. She has to pee, but the detention hall monitor is not buying it. "Stay in your seat!" he says. If Cali does that she'll soon be sitting in a puddle. Defiantly, she tinkles in the garbage can. Now her pussy is exposed and the monitor's cock is hard; she may as well make the most of the situation. Cali looks just as happy to be sucking his cock as he is to be getting head. The enthusiasm is still there when she gets her pussy filled, too. You're supposed to be quiet in detention, but she moans and gasps to let Mr. Mendez know that she wants more, harder. We can't speak to what kind of pupil she is, but we know she gets an A for jacking and sucking when she tugs that load out of his cock.

### **LEARNING CURVES**

Continued from page 30

"Any guy would get turned on seeing you in these," he said firmly. "I mean it. Any guy."

"They're just bloomers!" she objected. "There's nothing hot or sexy about them whatsoever!"

Pete let out a frustrated breath. Turned the panties around. Tapped the damp patch with his index finger. Danni's body went tense.

"It isn't the clothes that have to be hot. It's who's wearing them. Your boyfriend? He isn't going to care if you're dressed like a hooker. He's going to care about you being wet."

Suddenly, it felt like she was back by her locker, with Chris whispering in her ear that his parents wouldn't be home 'til late. How he wanted her to come back to his house. That he wanted to do things with her. To her. Things with his mouth. Things that he'd need to stop at the drug store to do, first...

"B-but-"

"But nothing. C'mon, take that thing off."

He flicked the hanging bra strap with his thumb. Danni couldn't think of anything to do but remove it. She shivered. The idea that she was standing here, topless, in front of her mom's boyfriend had gotten her going again. The panties he'd tossed on the bed weren't the only wet ones any more. Gulp.

"Now that," he said, grabbing her shoulders and turning her to face the mirror. "That's fucking hot."

She looked away. Okay, her nips were bare and standing at attention, which she couldn't deny was kinda hot. But that was really all she had going for her, hard nipples. Would Chris really get excited over that? She was about to voice the question. But Pete had already answered it. Without speaking. By pressing his throbbing bulge into her backside.

"See? Hot enough for any guy."

"Really?" Danni persisted, although she was pretty sure what the answer was. Still, asking made it okay, she thought. Okay to reach behind her and check for herself.

"Yeah," he confirmed, giving her shoulders a squeeze. "Really."

"If...you say so," she said hesitantly, wanting to hear more. Pete reached

around and ran his finger over her areola, drawing a gasp.

"Let me guess," he said, though it wasn't much of a guess at all. "You and your guy. First time?"

Danni stared at the floor, embarrassed. Pete didn't seem surprised.

"Here," he offered, Danni's hand still on his crank. "Why don't I show you a couple of things. Stuff you can surprise him with tomorrow. Does that sound good?"

It sounded good enough to make her pussy squelch. Danni's lips were slick with lube. Her clit felt like it had on the bus ride home. She tightened her grasp on his cock.

"Yeah, like that. That's a good way to start," he said, approving. "So, tomorrow, maybe you want to try something like this."

He turned her around. Kissed her. Hard. His tongue was sweet in her mouth. He put her hands behind his neck, showed her how to run her nails over his spine. Pulled her leg in between his, so she was nudging his sac with her knee.

"Like this?" she whispered, using her thigh and knee to massage his crotch. Pete nodded appreciatively. She could feel him growing under her touch. Getting even bigger.

"So, you think this is going to turn him on?" she asked, really getting into it. Pete nodded confidently.

"Hell," he admitted. "I'm loving itand I've been around a lot more than your boyfriend."

"What about if I do this?"

Danni didn't know where it came from, but she yanked down Pete's zipper and reached into his pants, her fingers freeing his cock. She was nervous, but if he was willing to give her some pointers, she wasn't going to pass up the opportunity to learn everything she could. Pete undid his belt. Let his pants drop.

Danni tried not to gasp. She'd done some stuff with Chris, but he'd never been standing in front of her with his hard-on poking into her belly. Pete nudged his cock into her. She felt moisture on her skin and looked down. Pre-cum was oozing out of his swollen tip. Seeing it made her innards contract. She started to stroke him, then it happened again. A little spasm, then a shudder.

Good god! She was cumming!

Pete pulled her tight, grinding his prick into her bush. The pressure on her clit, even through her undies, made her jerk.

"That'll get him all riled up," Pete remarked, his balls pushing her undies' soupy panel between her lips. Pussy juice dribbled down her pale teen thighs.

He turned her so she faced away from him. Put her hands on her hips.

"Here, now. You make him watch you do this, he'll be eating out of the palm of your hand."

He guided her so that she was bending over. Just a little, at first, then lower. Showing off her narrow hips and slender ass. Her thumbs found their way into her waistband and slowly, her panties descended, exposing her bare ass.

"Swee-ee-eet," he commented, getting a good, long look at her bits. Danni gave him a little hip wiggle, glancing back at him, trying to look innocent. It was tough, seeing as she was stripping for her mom's boyfriend, who, by the way, was now stroking his own dick. But, she tried, and apparently, pulled it off. A bulb of thick, greasy fluid appeared at the end of Pete's veiny pole.

"Did I do good?" she asked, her mother's loose-fitting underwear sliding down her calves.

"I'll say," Pete agreed, giving her right butt cheek a playful slap. Danni bit her lower lip, playing along, offering up a breathy "Ooooh!" in response. Holy fuck, but did Pete's cock look enormous.

"Take my hands," he instructed. Danni wasn't sure if she should stand up or not, but she decided it would be far sexier if she maintained her bent-over position, with her barely-legal girl-goodies on display. She reached behind her, taking hold of his fingers. The move pulled his dick in between her cheeks. She rocked back, his throbbing thickness tight against her inexperienced butthole.

"There, good," he continued, though Danni thought there might have been a slight catch in his voice. His muscles tensed, his cock twitching in her ass crack. Syrup seeped out of her fuckhole.

"Go on," he told her. "Put 'em where you want. Where it's going to feel good."

Danni pressed his hands against her nonexistent boobs, her nips pounding. Pete didn't seem to mind her flatness, rubbing his palms across her buds and teasing her nipples with his fingertips. Danni was out of breath, waiting for the orgasm she was on the brink of to rip through her. It was about to, she knew. Couldn't be more than a few seconds away. But still, it left her hanging, the build so

intense it was making her crazy. What was wrong, she wondered. Why wouldn't it happ-

Pete gave her titties a squeeze. Gentle, at first, then a little...more...pressure...

Danni erupted, her climax coming on so fast it nearly knocked her over. Luckily, Pete was expecting it. He grabbed hold of her, grasping her hips, the tip of his cock finding a place to...to...Ohhhhhh.

The head of his cock jammed in her ass, Pete grunted, Danni's sphincter on fire. He gave a short thrust, penetrating her a little deeper.

Danni felt woozy. Pete's huge dick was slowly entering her, and she could feel it. Really feel it. Every fuck-It ing inch. was strange. Uncomfortable at first, but good at the same time. Her no-longer-virgin asshole felt like it was too tight for him to put any more in her, but every few seconds he'd give her a little more, then a little more, and just like that, his erection began to disappear. Danni's insides felt like they were ballooning around his shaft.

"It's...so...big..." she whispered,

"It's...so...big...'
she whispered,
almost moaning
the words. "ls-is it gonna fit?"

> almost moaning the words. "Is-is it gonna fit?"

> "You ask your man that tomorrow? You are going to get fucked six ways to Sunday, Dee."

> Tomorrow. Chris. She'd almost forgotten. Never had she imagined doing, well, doing anything like this. Letting Chris go to pound-town on

her? Oh, hell yeah. She'd been dreaming about that for weeks. She spent hours thinking about it, how Chris would pop her cherry, which position he wanted to take her virginity in, how many times he could fuck her the first time out. Fantasies abounded.

> She'd awoken several times with wrinkled fingertips, having played with herself in the night during sex dreams.

> But, getting ass-hammered in the master bedroom? By her mom's lover? No, she hadn't given that a thought. Not until just now. Which left her with something else to consider.

> Pete's cock had nowhere left to go. Danni felt his balls slap against her twat and emptied her lungs in one long exhale, feeling wrung-out from the

inside. Her butt-tunnel felt like it was made of Jell-O.

"Should I, y'know, do something like this?" she asked, reaching back between her legs and grabbing hold of his nut sac. Pete eyed her with a grin, obviously surprised.

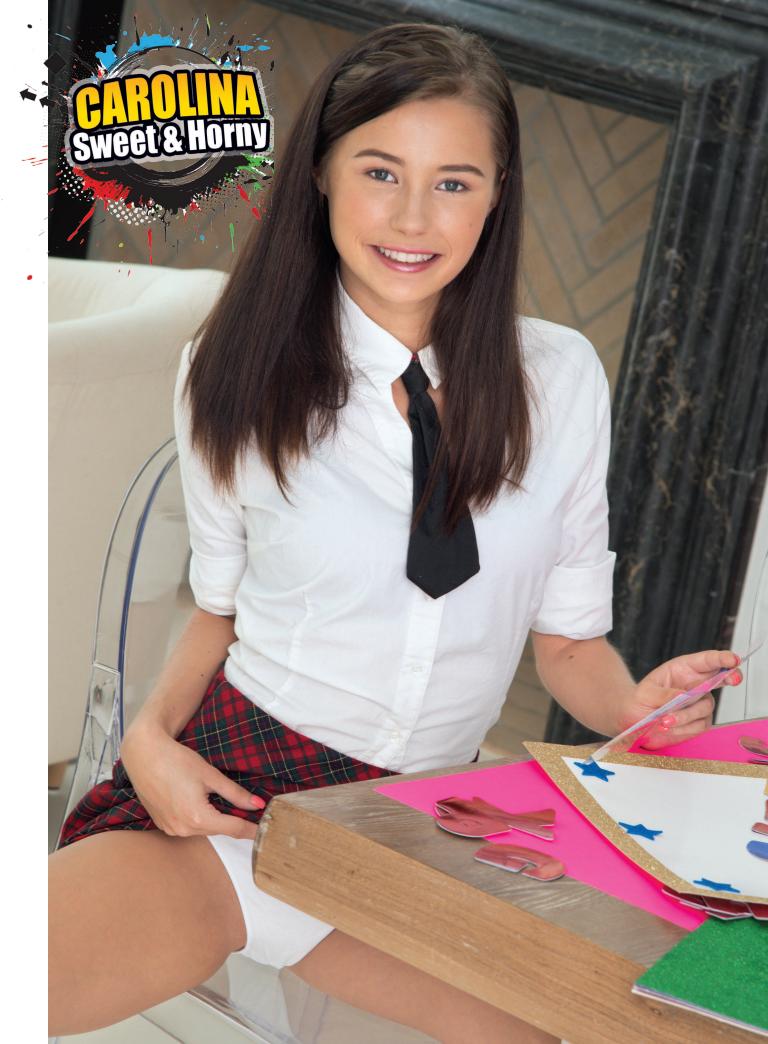

"That," he said, laboring. "Oughta Continued on page 82

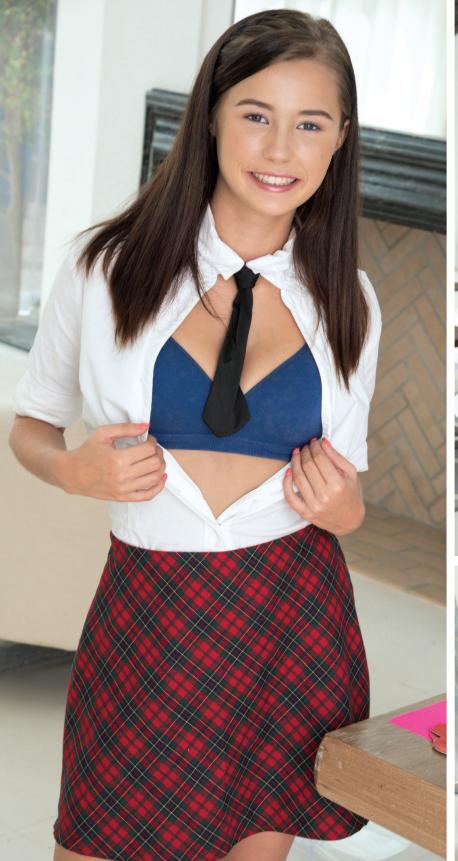

## Carolina is sweet as cherry pie.

We have our share of naughty girls, and we've seen a few of them in this issue. Carolina, on the other hand, is a sweetie pie who's never been in trouble a day in her life. But that doesn't mean she's a prude. She's a good girl who's just beginning to explore her sexuality and wants to learn more. "I know guys think I'm cute, but some of them don't want to date me because they think I don't put out. They're wrong; I'm really horny!"

"Wow! You guys get right to the point, huh? [Laughs] Well, I'm not a virgin, but I haven't exactly been with a lot of guys either. I don't want to fuck the whole world, but it would be nice to have someone that I could sleep with regularly. I only started masturbating last year and lost my virginity soon after that. Before that I was really focused on school. Lately I'm so distracted by being horny that I can barely concentrate on my homework."

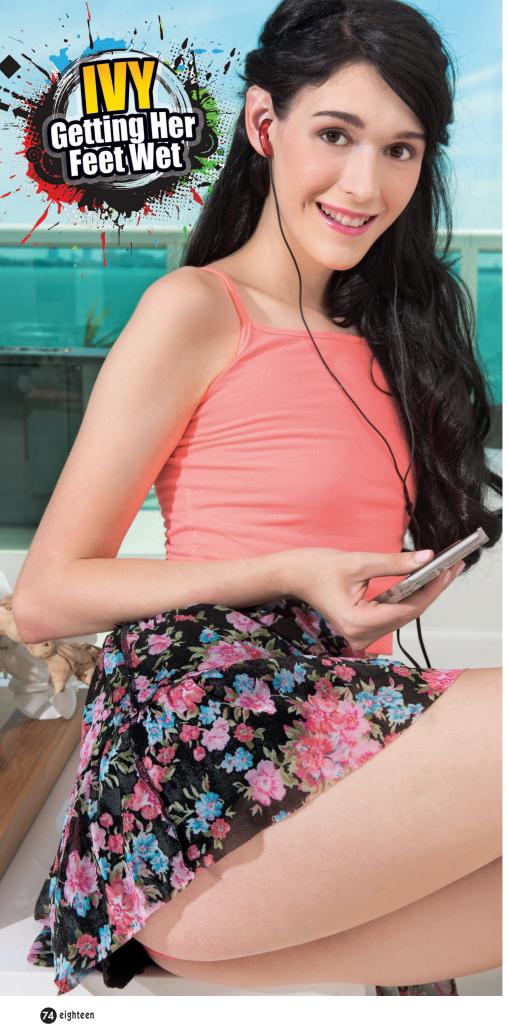

## So from the little sex you have had, what do you like about it?

"I know that I really like doggie-style. I also love to be eaten out, but I still feel awkward about giving blow jobs. It's not that I dislike them, but I'm not sure what I'm doing. I need someone to teach me so I can be more confident. I want to be good at sucking dick! There's still so much to learn, but I'm open to it all. I'm also looking forward to experiencing a guy with a huge dick. It's what I daydream about in class. Seeing that anaconda pop out of his pants, grabbing it and not having my fingers touch, feeling how thick it is as it slides into my pussy."

#### Do you like having your toes sucked more than getting your pussy eaten?

"No, pussy eating is a must! The foot play isn't necessary, especially if it's the first time I'm hooking up with someone. But eventually I will want it. I get a different kind of pleasure when a guy plays with my feet. It helps to relax me and I just like it. The feeling I get when a guy eats my pussy is more intense pleasure. I love to straddle a guy's face and watch my hips gyrate in the mirror as he gives me oral. Although I do like it when the guy sucks on my toes during sex. It's double the pleasure and gives me the most mind-numbing orgasms ever."

get him ready to blow his load."

That was exactly what Danni had been thinking. Only, not about Chris. She had a feeling Pete was on the verge. Was he...she wondered. Did he want to pump her ass full of jizz?

She fondled his junk, feeling the tightness in his balls. Oh yeah, he was close, all right. Damned close. Still, there was enough time to work out one or two more things, right?

"Pete?" she asked, searching for the words. It was tough, given that her backside was crammed full of cock. She managed, though. "How do you think he'll wanna cum?"

Pete stuffed his shaft back into her, bottoming out. He tilted his head.

"I would say, as many times as humanly possible!"

Ungh-ungh. Danni's teeth chattered. He was as close as she'd been before the nip pinch. She was willing to bet that if she squeezed his balls right now, that would send him over the edge. But not yet. Not until she had the answer she wanted.

"No," she explained. "I mean... when it's time, do you think he'd want to cum inside me, or, maybe... shoot on my face?"

Pete shook. Clearly, the idea appealed to him. That didn't mean she was going to make it an easy choice, however. She pressed her thighs together, her anal walls clamping down around his fuck stick. Now it was his turn to stutter.

"Do-does he like to watch you swallow?" he asked, trying to hold out. It was a battle he was losing.

"I couldn't tell you," she confessed, letting her inexperienced voice take over. "I've never even sucked his cock off before."

Pete looked stunned.

"You...you've never?" he asked. Danni just shook her head.

"Whoa," he said, trying to wrap his head around that fact. Danni knew. It was time.

"I think he'd like to, though, right? Guys dig that, don't they? I mean... you'd wanna cum on my face, wouldn't you, Pete?"

"I would love to shoot on your face," he answered, clearly straining. "And yeah, guys love to do that."

"Does that mean," she said, drag-

ging it out. "Like...right now?"

Pete threw his head back. Danni opened her legs, freeing him from her tingling asshole. She dropped to her knees, nails digging into his thighs. Looking up at him, expectantly.

The gush blasted her on the cheek, a hot rope of steaming ballsauce. She angled her face so that he could watch it shoot into her mouth, sticking out her tongue as another spurt coated her upper lip.

"Mmmmm," she mumbled, closing her mouth in time to swallow and snatch a quick breath. Pete wasn't close to finished, however, and the next wave rolled down her chin. She grabbed his rod, jacking him furiously. Gulp-gulp. Gulp-gulp.

Pete was saying something. Danni couldn't tell what, though. She had jism in her ear. She figured it out, though, just before he expended the last of his spooge across her forehead. When she did, it made her giggle.

Chris was so hard when they got to his room Danni thought he might rupture something. The tent he was pitching was a sight to behold. He had her shirt off, suckling her hard, pink nubs like they were the hottest tits in school. She unzipped her skirt and kicked it away. Chris could smell the wetness on her panties. The fabric was drenched. Danni wasn't surprised. She'd been wearing them since the previous afternoon.

"They're...a little big," she said, acting embarrassed, pushing him back onto the bed. He stared up at her. Danni turned around.

"But, they look okay, don't they? I didn't want you to be disappointed."

"They're hot as fuck!"

She believed him. The look in his eyes was more than enough.

"Just like you."

"Yeah?" she said, teasing him. "Well, what about this? Is this hot?"

Then she bent over a little. Rocking her hips. Working the panties down until he was staring at her dripping cunt and puckered brown-eye.

She hoped he wouldn't cum in his pants. He looked like he might. But if he did? No biggie. She'd learned plenty the day before. She'd have him hard again quick.

After all, when Pete had suggested a round two, she'd gotten him hard in no time at all.
